Maven Tutorial

- **Create New Maven Project**

○ **Add info: GroupId/ArtefactID**

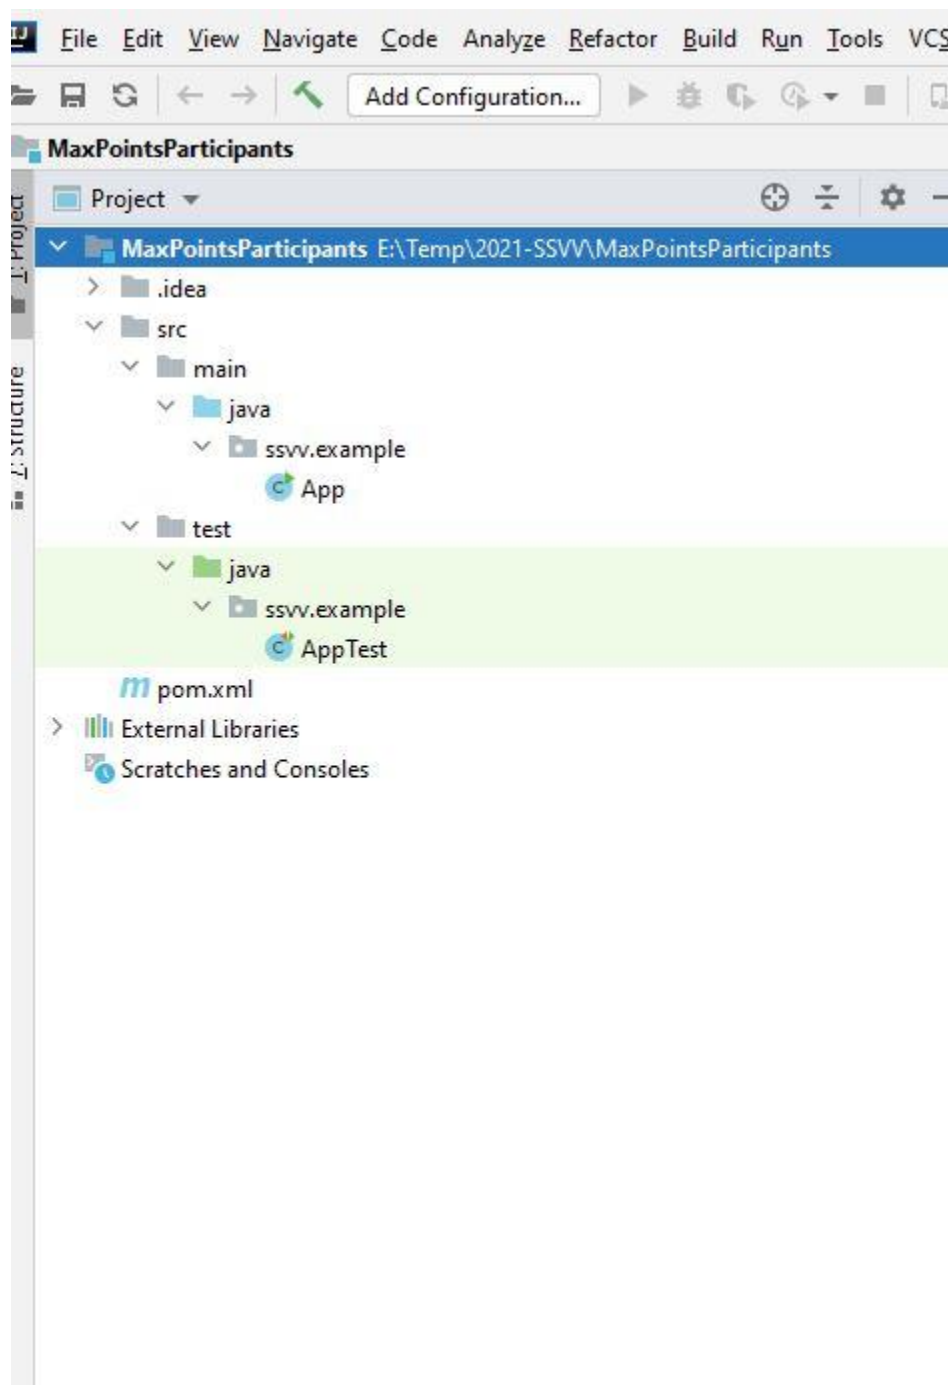

The screenshot shows a 'New Project' dialog box with the following fields and values:

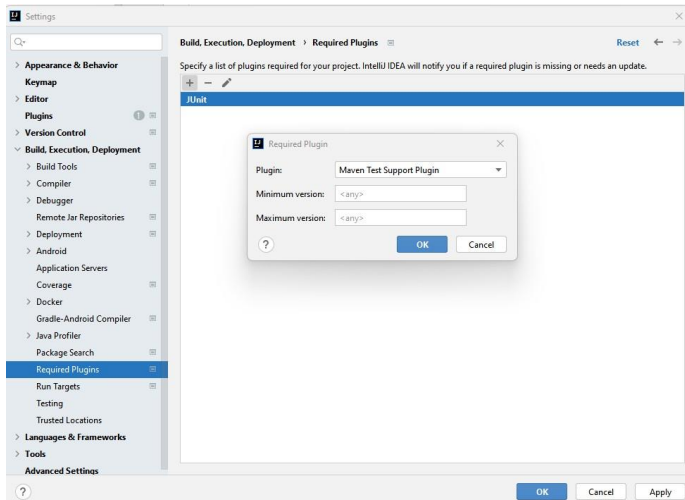

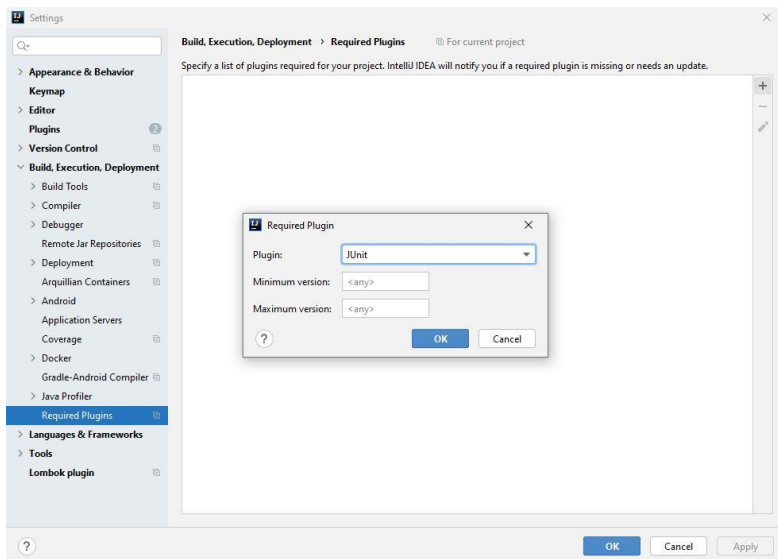

- Name:** MaxPointsParticipants
- Location:** E:\Temp\2021-SSVV\MaxPointsParticipants
- Artifact Coordinates:**
 - GroupId:** ssvvexample
The name of the artifact group, usually a company domain
 - ArtifactId:** MaxPointsParticipants
The name of the artifact within the group, usually a project name
 - Version:** 1.0-SNAPSHOT

At the bottom right, there are four buttons: 'Previous', 'Next' (highlighted in blue), 'Cancel', and 'Help'.

- **The Maven project is created**

- **Add the required plugins**
 - **JUnit**
 - **Maven Test Support Plugin (You can install it From Settings->Plugins)**

- **Add the other files of the project**
